"Happy are those who know they are spiritually poor: the Kingdom of heaven belongs to them! Happy are those who mourn: God will comfort them! Happy are the meek: they will receive what God has promised! Happy are those whose greatest desire is to do what God requires: God will satisfy them fully! Happy are those who show mercy to others: God will show mercy to them! Happy are the pure in heart: they will see God! Happy are those who work for peace among men: God will call them his sons! Happy are those who suffer persecution because they do what God requires: the Kingdom of heaven belongs to them! Happy are you when men insult you and mistreat you and tell all kinds of evil lies against you because you are my followers."

*Happiness
is...*

President David Hocking

This annual is dedicated to the task of presenting to you, the reader, the happiness, privileges, advantages, and achievements of attending a school wholly committed to Jesus Christ, and the Bible as the infallible Word of God. We are not like every other school, and we make no apology for that. Prayer is offered at the beginning of every class. Every student takes a course in Bible each semester. Every teacher is a Christian, yet all of these ingredients are only a part of what makes this school different.

The difference lies in a perspective, an outlook on life and a vision of what really counts in life. It is the difference in learning "how to earn a living" and "how to really live." It is seeing life as a great master plan with a special blueprint for each individual life with Almighty God as the Architect. It is understanding all truth from Jesus Christ Who said, "I am the truth." It is seeing every course, whether Science, Math, History, English, Athletics, Music, etc., in the light of God's Word, the Bible.

This is our privilege and our task. We welcome you to a brief "look" at us with the sincere desire and prayer that you may know Jesus Christ personally as we do.

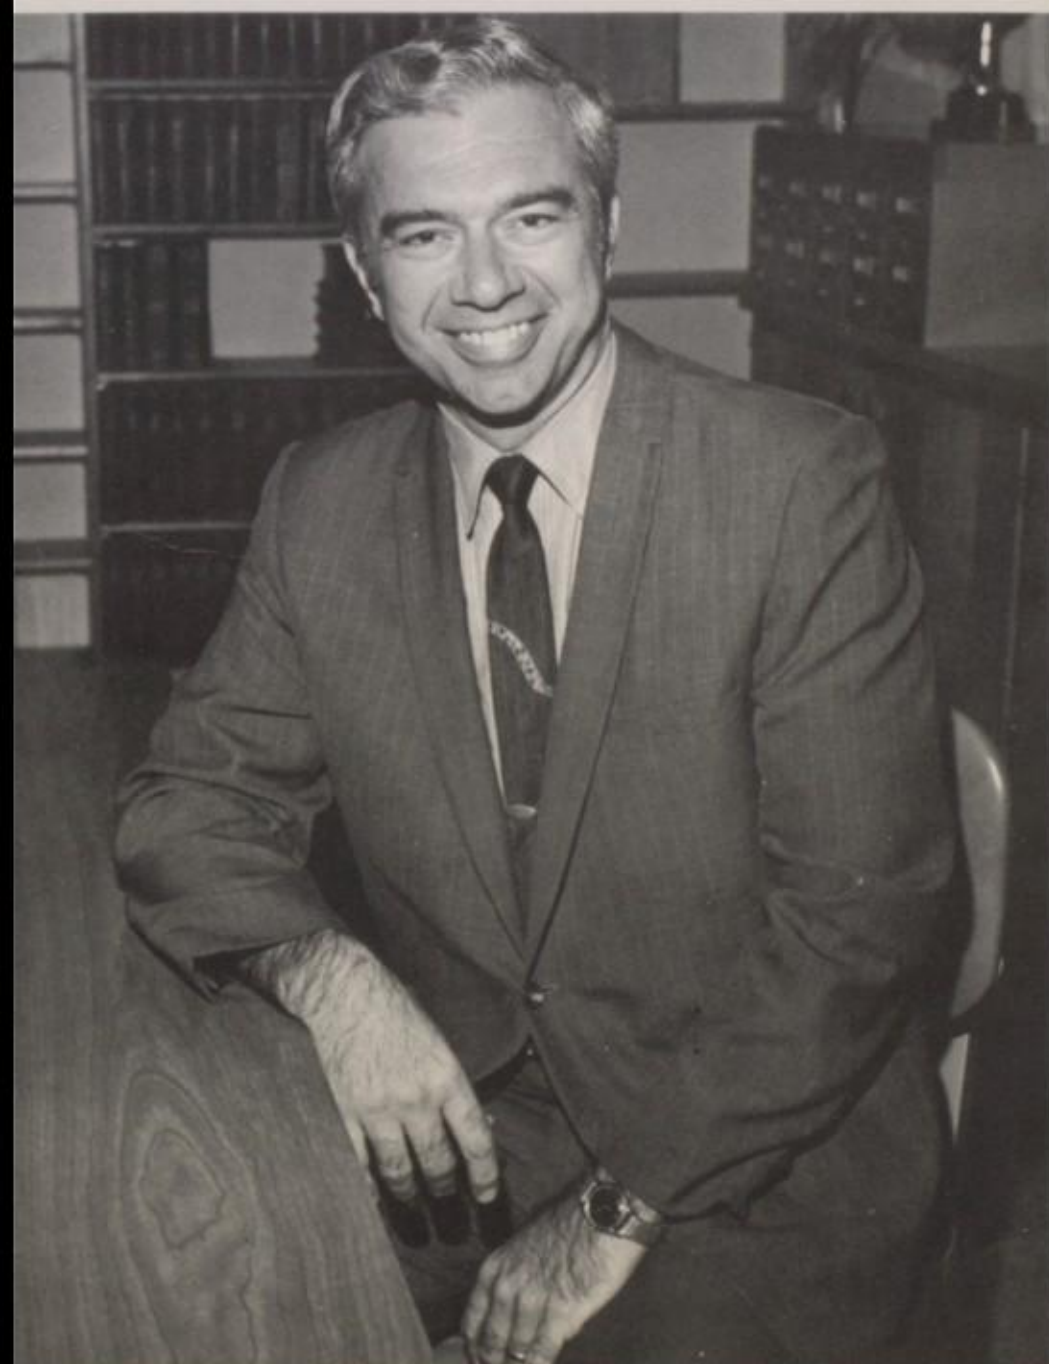

David L. Hocking

Superintendent

Praise the Lord for the many blessings He has given to Brethren Church Schools in the past and especially this year. In everything we do and say, we are dedicated to serving Him and giving Him every measure of glory. Our educational program includes a wide variety of exciting activities designed to help us learn. Every one of them offers us an opportunity to be a living testimony for the Lord. It is really wonderful to observe this happening in school each day. Evidence of this is clear in the great spirit of the students attending Brethren High. It gives us a solid foundation on which to build the future. Let us praise the Lord for the blessings we enjoy and the opportunities we have to glorify Him in our work and our studies.

J. A. Bloze

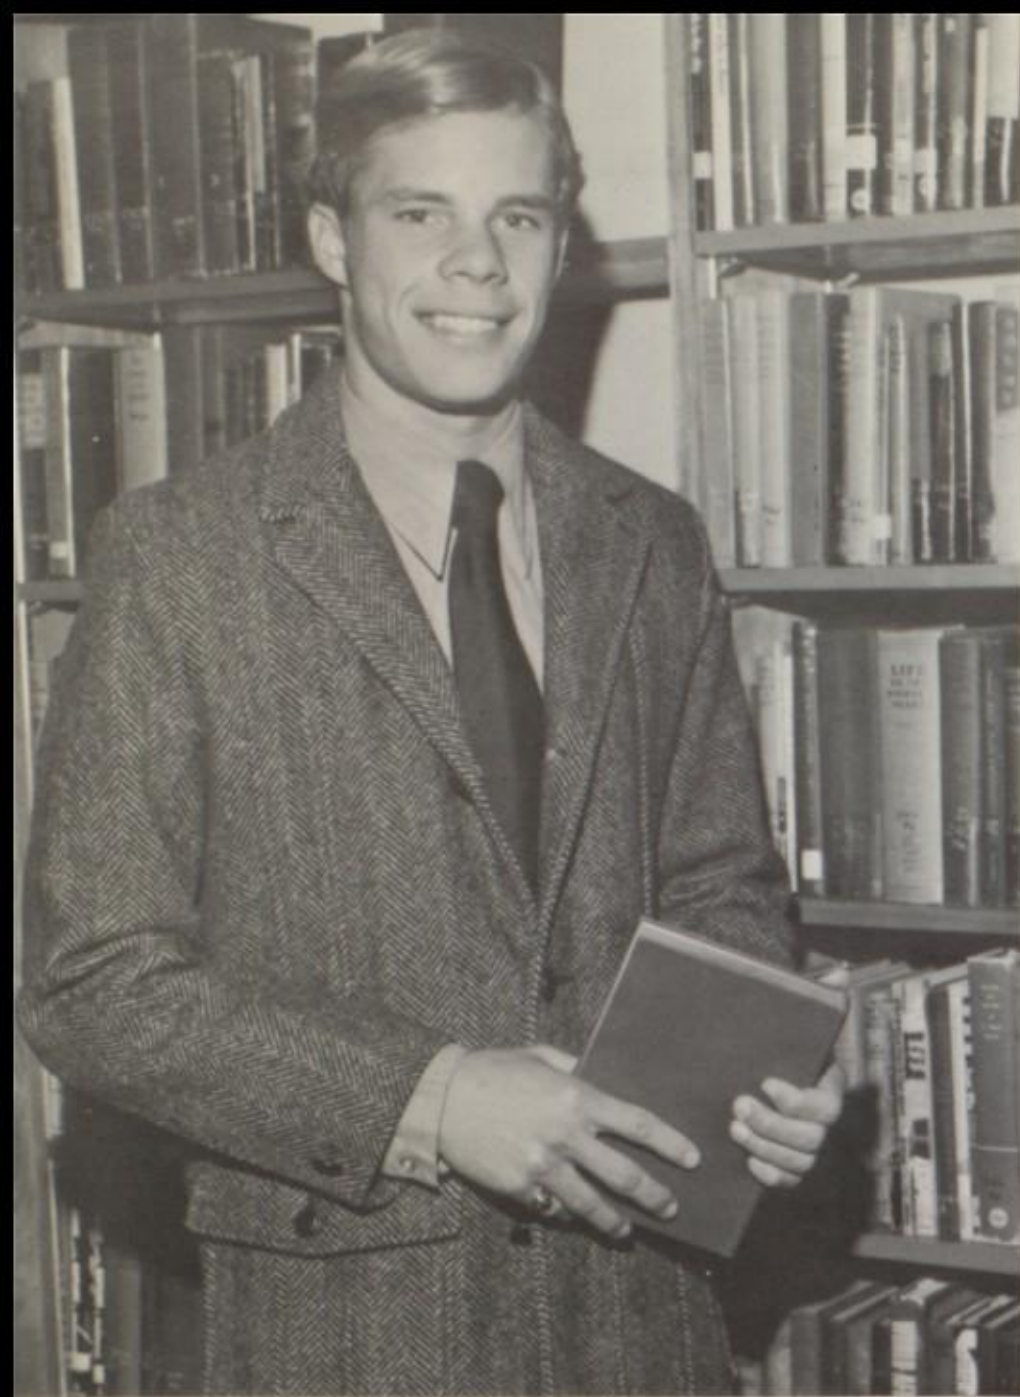

Minister of Education

With his death on the cross only hours away, Jesus said, "These things have I spoken unto you that my joy might remain in you, and that your joy might be full" (John 15:11). He knew when, how, and why He would die, yet He affirmed the existence of an abiding joy in His inner being. This tells us that true joy is the product of a living relationship with God, not the result of good things happening to us.

One of our greatest desires is that our students grow up in Christ that they may daily experience the fullness of joy Christ promised.

Wayne S. Flory

Student Body President

The privilege of being Student Body President can fully be realized only when you undertake its responsibilities and along with them its rewards.

I not only thank God for allowing me to be Student Body President but allowing it to be in a Christian school where all the activities are Christ-centered.

God has blessed our school this year in many ways. I thank Him for the responsiveness of the students to Him. Praise God for our school where we can worship and serve Him in all things. Praise the Lord!.

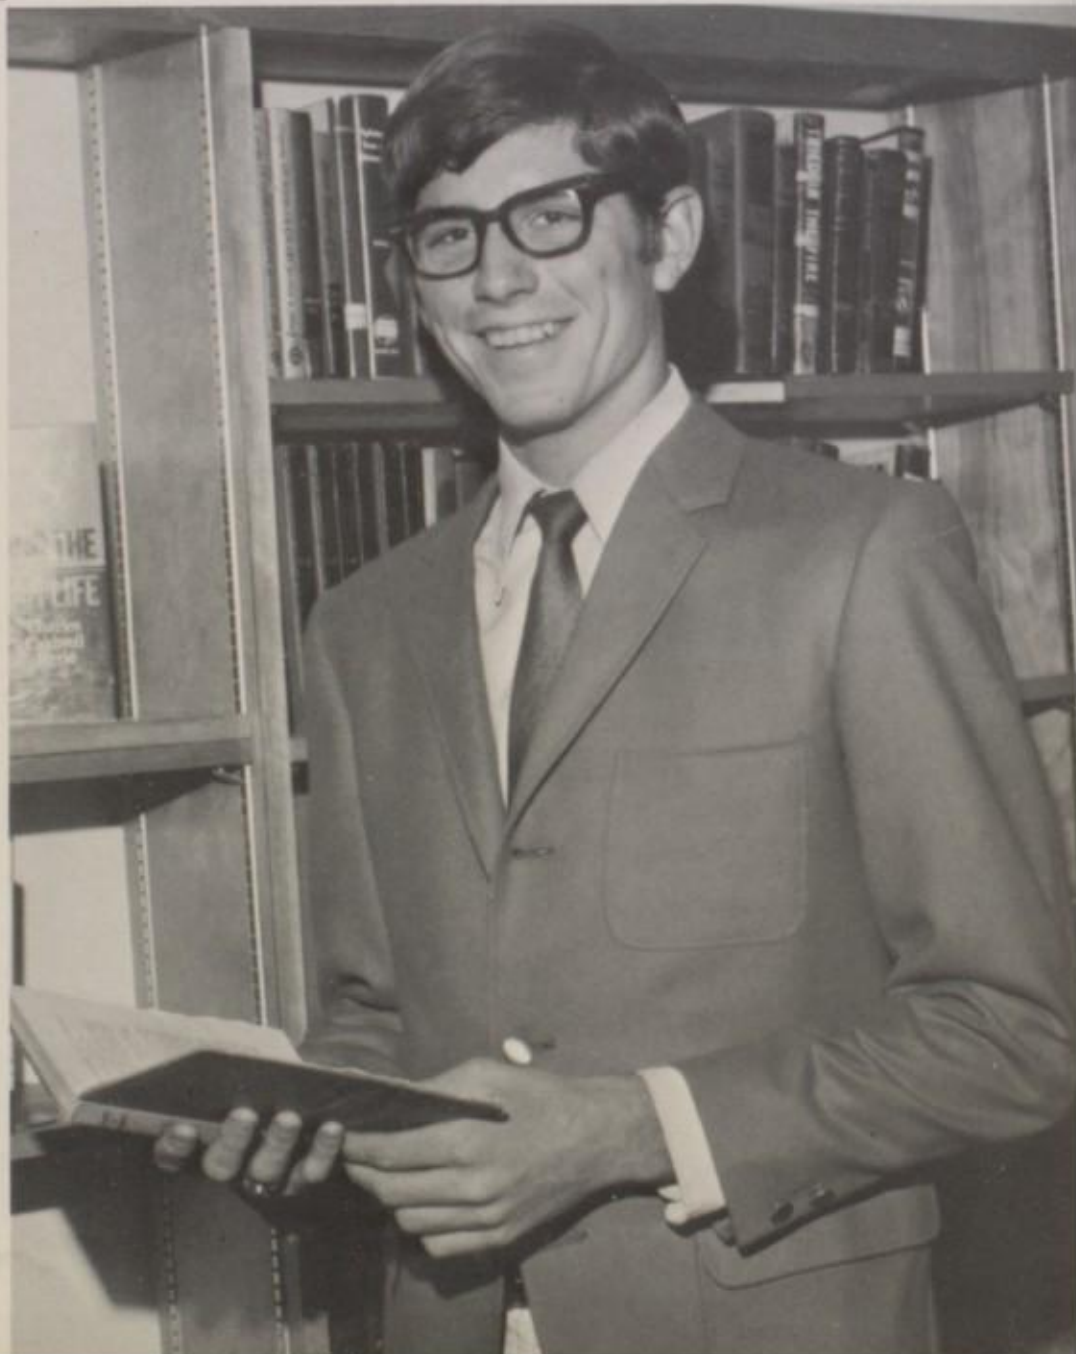

Maranatha,

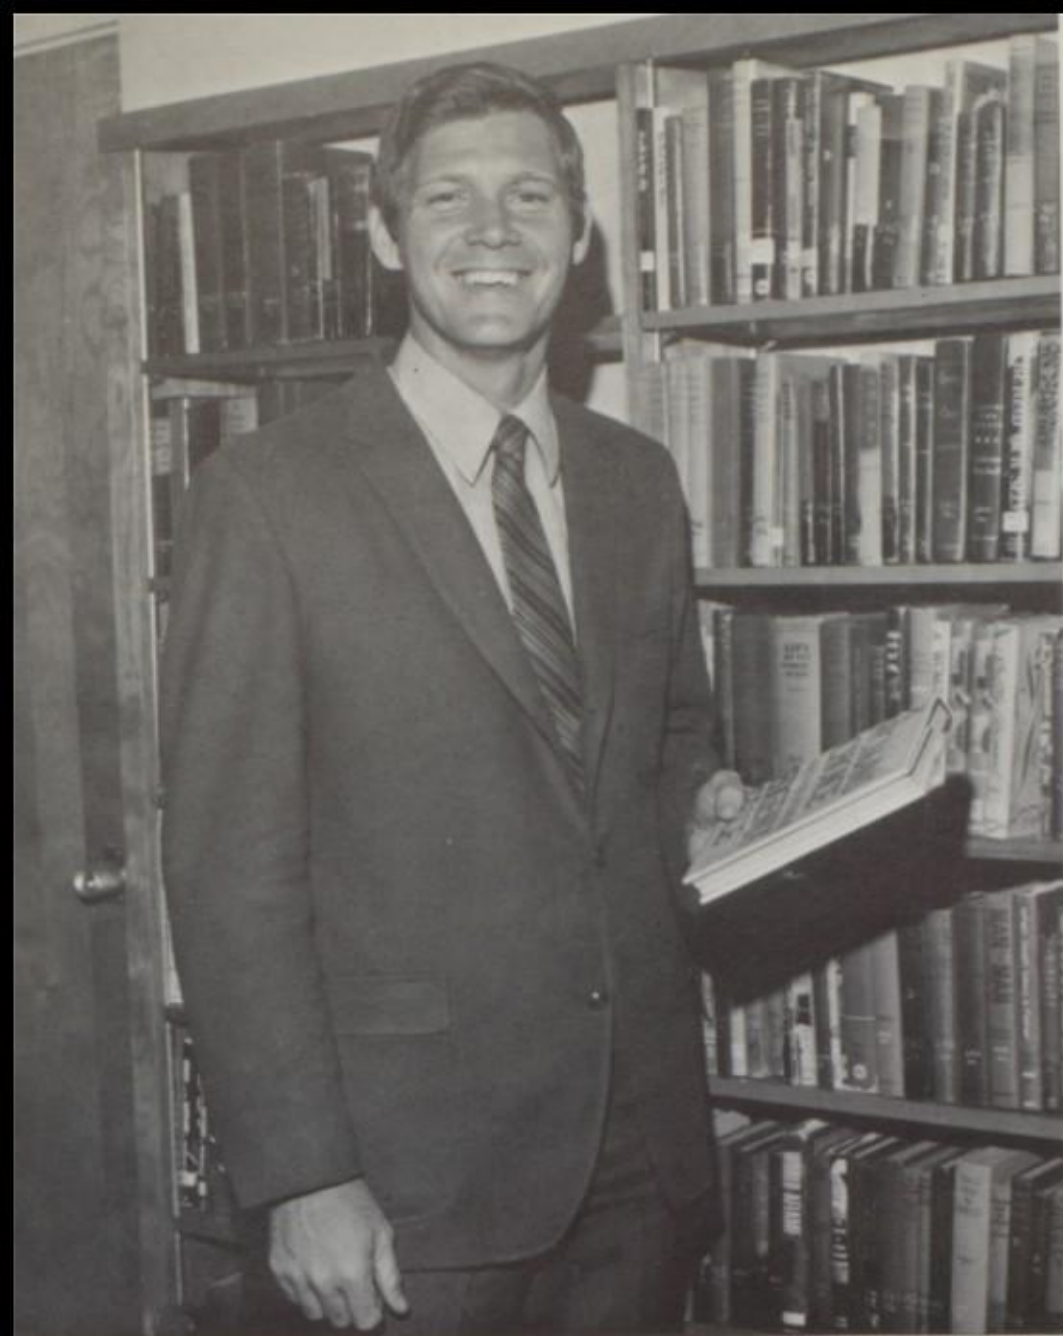

Ken Idino

Annual Editor

Speaking for the Annual Staff, I sincerely hope that this 1971 Ambassador will be a pleasurable recollection of this past year, both now and in the future. This year has indeed been a year full of happiness and success, and I only trust that this pictorial account has successfully portrayed the many great events of 1970-71 and will be cherished by each and every one of you, the students of Brethren High School.

Doug Swagerty

*Happiness is
dedicating our
1971 Ambassador
to you:*

Mr. Lanning

It has been the privilege of Brethren High School to have on the staff a most capable and dedicated man. Mr. James Lanning has proven himself a true friend and an apt educator. He has given willingly of his time and talents.

We see you Mr. Lanning as an administrator, a teacher, a counselor, and a friend. We appreciate your dedication and your service and so we dedicate this 1971 Ambassador to you.

Your sparkling personality and the joy you show in serving the Lord reveals the true meaning of happiness.

*Happiness is a
smiling face. A smiling
face is Mr. Lanning*

Happiness is a Christian Faculty

Col. 1:28 "... teaching every man in all wisdom; that we may present every man perfect in Christ Jesus:"

Administrators

Mr. Albert L. Flory

Having had a part in founding Brethren High School 24 years ago, it is a unique privilege to return. In these intervening years, we have worked with successful missionaries, pastors, deacons, and lay leaders of our churches whom we knew as students at the school. This student body contains the same potential Christian leadership as did those early groups. The Class of 1971 has its share of Christian leaders of the future. We congratulate this fine graduating class.

Albert L. Flory

Mr. Paul van Houte

We look back on the past year and see the wonderful things the Lord has done. As Christians we should also look forward in dedication and faith to the future, knowing that the Lord we serve is the Lord of the future as well as of the past and present.

The students of Brethren High School appreciate the hard work of the staff, and are grateful for their efforts.

Among those being planned for this year are the Mother-Daughter Tea, Father-Daughter Breakfast, sending baked goods to Brethren graduates now in the service, and various other projects centered around serving Brethren. The Girls' League is looking forward to accomplishing many things that will add to the Christian spirit of Brethren.

Junior-Senior Banquet

"We've Only Just Begun"

To the Class of '71:

The time has come when you, as seniors, will be leaving Brethren and stepping out into a big world. This is a giant step in all of your lives. Really you are beginning a new life with many roads ahead of you. Many of you will go to college, some will get married, and others start in business. Whatever road you may choose or begin, we pray you will begin with Christ as your leader. For it's not an easy road alone and **YOU'VE ONLY JUST BEGUN.**

May the memories of Brethren never fade away and may the Lord be your eternal guide.

Victory Voices

Happiness has truly been brought to each of us by this year's chapel speakers. We have been instructed, inspired, and entertained by many great Christians. They have shared their knowledge, motivation, experience, and talent with us in truly memorable ways. Indeed, our gratitude to our speakers is matched only by the happiness which they have given us.

"Happy is he that hath the God of Jacob for his help, whose hope is in the Lord, his God."

This year's Winter Retreat proved to be a valuable experience in all of its aspects. Recreational activities were under the supervision of Coach Cole and were enjoyed to the utmost by all the students, along with the scattered patches of snow. The beautiful Tahquitz Pines campgrounds gave everyone the chance to once again view the handiwork of our Lord and appreciate it to the fullest. Finally, but most important, were the messages of Dr. Richard McNeely who shared the word of God and, through the ministry of the Holy Spirit working within him, gave all a true spiritual blessing.

'Sugar and Spice' was the lovely theme for the 1971 Mother-Daughter Tea. The gala affair was held in the social hall of the First Brethren Church of Long Beach. In addition to our outstanding speaker, Mrs. Gesswein, there was a fashion show produced by the Jr. High and High School Home Economics students. The refreshments for the evening included gingerbread and whipped cream, which delighted everyone. All areas of the program brought glory to our Lord and said in a very special way, "I Love You, Mother."

Winter Banquet

Mike and Gayle McKinney brought us a wonderful message in song.

On the evening of February 6, 1971, the Students of Brethren High School enjoyed a gala evening as they attended the annual Winter Banquet. The fellowship hall at 1st Brethren Church was transformed into a "Winter Wonderland" with tall white trees, glittering snowflakes, and cheery snowmen decorating each table. A delicious meal of turkey with a snowball dessert to fit the banquet's theme was enjoyed by all. A girl's sextet entertained and a comedy film livened the evening with the chance for laughter. The program was climaxed by the entertainment, Mike and Gail McKinney, who brought us a message in song. The Winter Banquet was a success and brought glory to our Lord in every way.

The 1971 Extravaganza burst on the scene in January and provided two nights of comedy for over 600 people. To those who attended, it was a resounding success. The audience laughed at such things as "The Hijacking," "Charlie Chan," and "Pistol Gunsmoke over the Riders in the Purple Sagebrush Valley Indian Massacre" or just plain "Way out West."

There was music (?), laughter (??), and nonsense (!) all in one evening. The entire performance was produced and presented by the Gamma Sigma Club.

On behalf of the Gamma Sigma Club, I would personally like to thank everyone responsible for the production and its success.

Looking back on the 1970 Football season, not enough credit can be given to our great coaching staff and dedicated players. A CIF championship is not an easy accomplishment, and everyone affiliated with the school is proud of our team. The championship came by means of a complete team effort, with experienced seniors as leaders.

The offense was led by two All-League performers: tailback Bruce Levert and quarterback Randy Gardner. Bruce gained over 2,000 yards during the season, and his accomplishments were rewarded by the permanent retirement of his jersey. Joining Bruce and Randy on offense were leading pass receiver Jack Knapil, wingbacks John Sanchez and Mike Wrigley, end Scott Pencoff, and center Dennis McDowell.

Linebacker Ed Cashman and end Gary Lafferty were All-League defensivemen, while Neal Lyon, Greg Abner, Craig Dyc, and Randy Panting rounded out the small but mighty defense.

Our team indeed showed everyone this year that hard work, good leadership, and an intense desire to finish on top are the qualities of a champion. Congratulations!

J.V. Football

Academy League Champs

Our J.V. Football team had a very successful year, finishing 9-0, and capturing the Academy League title. The passing attack of Les Pearsey to Everett Williams and the running of Dennis McCardell gave the offense two potent weapons, while the defense was sparked by a big front line of Ken Hunt, Buddy Henderson, Steve Lockhart, and Doug McLeish. The results of this year give a promising future for Brethren High football teams.

Ed Rourke, surrounded by teammates, clears the boards.

The 1970-71 Basketball season was one which generated excitement right down to the end of the last game of the season. The team was led by the play of three senior all-league performers: Dan Swagerty, Ed Gregg, and Randy Gardner, along with the play of the guards: freshman Les Pearsey and Junior Doug Swagerty. Excellent second-line play came from Neal Lyon and Ed Rourke, while many others aided in the capturing of the Academy League title.

Early in the season the Warriors showed their strength by winning two tournaments and taking second in another after losing to Corona in double overtime by two points. An unblemished league record put the team at 25-1 going into the playoffs. Meeting little difficulty in their first two CIF games, the Warriors then beat Twenty-Nine Palms, advanced to the semi-finals, and came from behind to beat Lutheran 66-58. The Los Angeles Sports Arena was the scene for the Championship game, where the warriors once again fell victim to a double overtime defeat, this time to Chaminade, 54-52. Despite this final loss, congratulations are in order for a great team and their great season.

Varsity Cheerleaders

J.V. Basketball

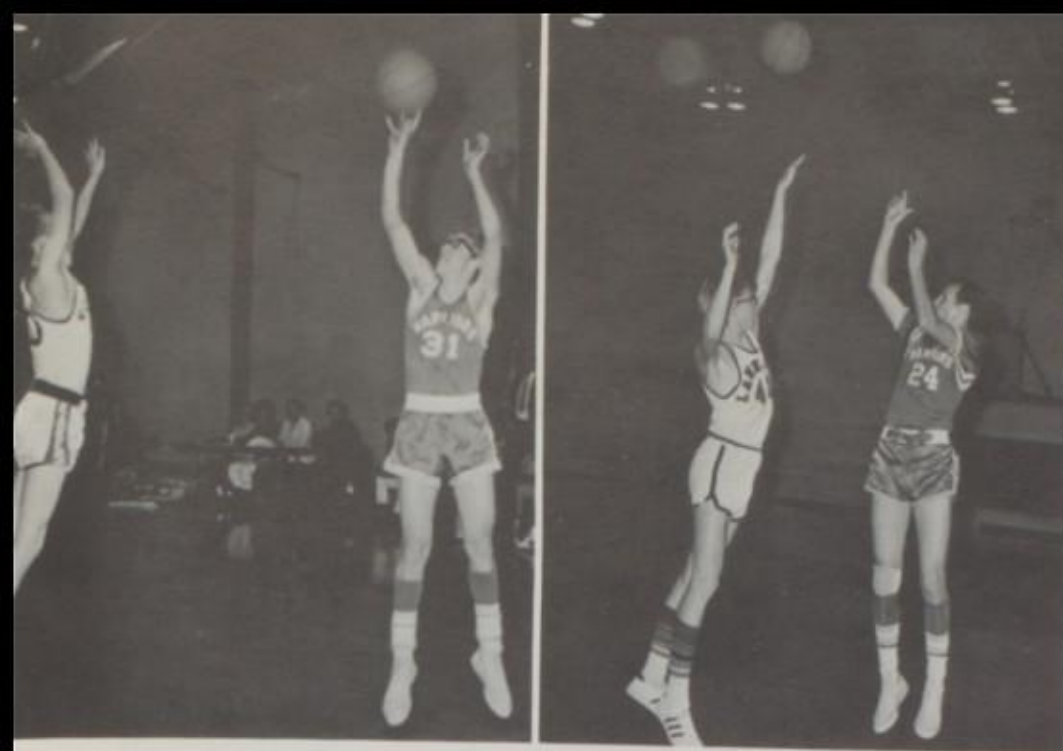

After getting off to a slow start, the Junior Varsity Basketball team gained valuable experience and won 13 out of their last 14 games. Their final record was 15-6. They were led by the inside scoring of Everett Williams and Dan Beaver, and the outside shooting of Jerry Jennex, Dave Holcombe, Terry Ingwaldson, and Dennis McArdeU. Defensively, Everett proved to be an outstanding rebounder and got a lot of help from Dan, while the guards supplied constant pressure which forced the opposition to commit many turnovers. With only three underclassmen on this year's Varsity team, many of these players will move up and undoubtedly help the Varsity next year to another successful season.

Randy Gardner

Besides being a versatile athlete blessed with outstanding athletic ability, Randy Gardner is a competitor who always goes full tilt. For the past four years he has been an inspiration to many of Brethren's athletes, and he has been rewarded by being named the Most Inspirational Athlete of the Year during his 10th and 11th grade years. He has lettered in all four sports at Brethren, and is equally adept at all of them. As a freshman, Randy was chosen as the MVP in J.V. Basketball and also in J.V. Track. During his sophomore year, he repeated as MVP in J.V. Track, and was also the Most Inspirational Varsity Basketball Player. As a junior, he was a starter in our CIF runner-up Football team, was chosen Most Inspirational in Basketball, and was an all-league selection in both Basketball and Baseball. Finally as a senior, he was the Offensive Player of the Year on our CIF Championship Football team, and was the MVP of the Brethren Basketball Tournament. Although we will miss Randy, we wish him the best of luck in the years to come.

Bruce Levert

Bruce Levert is an excellent athlete who has done a great deal to put Brethren athletics where they are today. As a sophomore, Bruce performed in every J.V. sport except Baseball, and was chosen as the Most Improved in Track. Moving on to his junior year, he was a very instrumental ball carrier for the Varsity Football team, was the Most Improved on J. V. Basketball, and despite missing the entire Track season due to asthma, he ran the high hurdles in the league finals and took second. Then as a senior, coming as no surprise to anyone, he was chosen as the MVP of our CIF Championship Football Team. In 11 games, Bruce gained over 2,000 yards, passed for even more, and was also the team punter. These accomplishments made him the MVP of the Academy League, and his jersey was retired at the end of the season. Last of all, the Helms Athletic Board named him as the 1-A Player of the Year for the entire Southern Section. Bruce will undoubtedly go on to greater heights in the future, and we wish him success in all he does.

Outstanding Achievers

For the first time ever, the Ambassador has set aside a section honoring those seniors who have made outstanding achievements in the areas of athletics, GAA, and other related activities throughout their years at Brethren. Although many other seniors deserve recognition, due to limited space, the following students have been chosen. All accomplishments are included up to the end of the first semester of the 1970-71 school year.

Neal Lyon

Neal Lyon has performed in every sport for four years at Brethren. He played Varsity Baseball since being a sophomore, and Varsity Football since his junior year. As a senior, he played on all the Varsity teams. The honors he has accumulated are Most Inspirational J.V. Basketball Player-10th grade, MVP of J.V. Basketball-11th grade, and Most Inspirational on the CIF Championship Football team.

Ed Cashman

Ed Cashman has made up for a lack of height with strength and dedication. He played J.V. Football in the 10th and 11th grades, and was the Most Inspirational Player during his latter year. As a junior, he moved up to the Varsity where, despite having a bad knee, he played well. As a senior, he led the defense of our CIF Championship team. Post season honors included all-league recognition and he was chosen Defensive Player of the Year.

Dan Swagerty

Dan Swagerty has for three years been an outstanding athlete at Brethren High. During his sophomore year, he was all-tournament selections in both the Avalon and Brethren Basketball Tournaments, was named to the all-league team, and was the co-recipient of the MVP award. He went on that year to lead the Varsity Baseball team in hitting. He was chosen as the MVP of the team, and was the all-league catcher. As a junior, he repeated as an all-tournament selection in the Brethren Tournament, was named MVP of the team, and was also selected as the MVP of the Academy League. Dan again led the Baseball team in hitting, and earned a berth on the all-league team. To end the year, he was awarded the Coaches Trophy for combined excellence in both the academic and athletic fields. To start out his senior year, he was the PAT kicker for the Football team. On the Basketball court, he was the MVP in the Mayfair Tournament, and was an all-tournament selection in the Laguna Beach Tournament. We also wish Dan all the success possible in his future.

Marcy McNeely

Marcy McNeely has been a very active member of GAA since being a freshman, and has accumulated a number of honors. As a sophomore, she competed in all sports and was chosen as an All-Star in Volleyball. During her junior year she again played in all sports and was chosen as the Most Inspirational Player in both Volleyball and Basketball. As a senior, Marcy served on the Student Council as the Girl's Athletic Commissioner and was the head Varsity Cheerleader during most of the Basketball season. She played in all the GAA sports once again, giving the Basketball team valuable experience and giving the Volleyball team her team-work and good sets. She is also a lifetime member of scholarship and has left herself with many opportunities for the future, and we wish her success in all she does.

Ed Gregg

Ed Gregg was blessed with tremendous height (6'11"), and he has worked hard to become an excellent Basketball player. After playing J.V.'s for two years, he was named the MVP of the team as a sophomore. During his junior year, he was a starting forward on the Varsity during most of the season. As a senior, he was all-tournament selections in the Mayfair, Laguna Beach, and Brethren Tournaments.

Sara Young

Sara Young's accomplishments have not been in athletics, but in an area which is vital to them. As a sophomore, she was the head J.V. Cheerleader. When she was a junior, she moved up to the same spot on the Varsity, and was chosen as Junior Princess on the first Homecoming Court. As a senior, she was again head Varsity Cheerleader until her mid-term graduation, and was the second annual Homecoming Queen.

Lynette Cheers

Lynette Cheers has for four years been one of the most faithful girls in the GAA program. Although she has not received any outstanding honors she has rarely missed a practice, required or not, and has been an inspiration to her teammates. This is the kind of girl that is a pleasure to work with and Lynette will be missed in the future for both her skills and dedication.

Sophomore Snaps

The day started off with the students meeting at school and, after boarding the bus, heading for San Pedro

The Annual Staff Presents: The Avalon Trip

After arriving at San Pedro, they waited to get on the boat

Leaving behind them the Catalina terminal and the St. Vincent Thomas bridge, they set out for Avalon

As soon as the boats docked, the students were left to enjoy the stores and streets of the city.

Mr. Higgins and Mary Underwood enjoying the sights of Avalon prior to the basketball games.

Out-jumping and out-hustling their opponents, the Junior High had an easy victory.

Everett Williams sets the pace for the J. V. by controlling the opening tip-off.

Tom Looy shoots a short jump shot as Jerry Jennex and Terry Ingwaldson look on. J.V.'s won 59-33.

Dan Swagerty goes up high for an easy lay-up. Varsity won 70-40.

Doug Swagerty shoots up from outside, and Les Pearsey made a short jumper.

Steve, you're a really cool guy and lots of fun. Remember last year when you & me & Buckles used to sit in the back of Fonberg's class and play that dot game? That was funny! Just in Christ always and still never let you down. Have a fun summer & I'll see you next year.

Love always,
Mama

Steve - you're really a nice guy even if I do mess up your hair a lot. Maybe next year I can be a better friend to you. I hope you'll always look to God & never leave Him.
